

**Providing Quality Products to the Oil, Gas and Power Industries Since 1966**

- Cameron Ball Valves
- Grove B4 & B5 Ball, G-7 Gate
- WKM Pow-R-Seal Gate Valves
- API 6D Slab Gates
- Automated Valve Packages
- Pups & High Heads

- Newco Gate, Globe & Check Valves
- General Twin Seal
- Wheatley Check Valves
- WKM 2 and 3 Piece Valves
- Gear Boxes
- Flanges, Fittings & Gaskets
- Closures
- Extensive Inventory
- And Much More .....

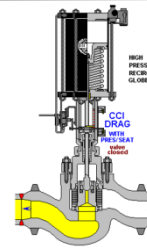

- Power Process Can Supply a Variety of Actuator Types to Complete Your Actuation Requirements & Specs  
**Electric, Pneumatic, Direct Gas, Gas Over Oil**

We Solve Control Valve Problems®

- DRAG Control Valves for Critical Severe Service
- Combats Noise & Cavitations
- Linear and Rotary Technology
- Applications for Oil & Gas and Power Generation

Down to 60 dba

- Fully Lined Process Valves and Components
- Shut-Off, Flow Control, Throttling
- Observing and Sampling

- Pressure Reducing Regulators
- Process Control Valves
- Back Pressure Regulators
- Tank Blanketing Valves & Equipment

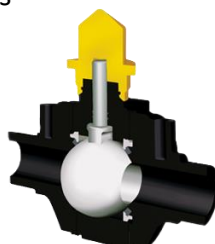

- Rugged & Reliable Polyethylene Valves
- Bubble-Tight Shutoff, with Dual Seals
- Corrosion Resistant
- Multiple Stem Seals
- Made in USA

Poly – Chem

Poly – Gas

Poly - Water

- Trunnion Mounted Ball Valves
- Stainless Steel Fire Safe Ball Valves
- High Performance Butterfly Valves
- PFA Lined Ball Valves
- Cryogenic & Sanitary Ball Valve

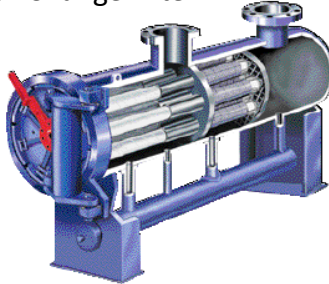

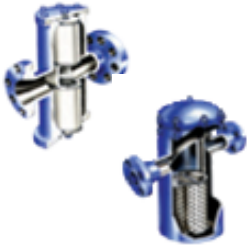

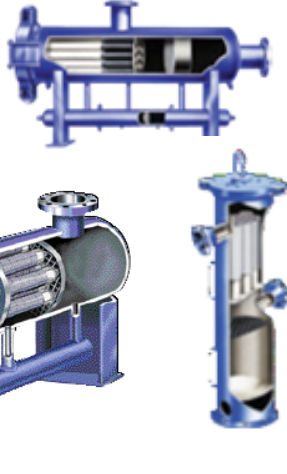

**Providing Quality Products to the Oil, Gas and Power Industries Since 1966**

ENGINEERING YOUR SUCCESS

- Engineered Filtration Systems
- Gas Coalescing and Filtration
- Cyclotube & Vane Separators
- Titan PuraSep Quick Change Filter

## Filter Cartridges for Gas & Liquid

- PEACH® Gemini PuraSep
- TITAN PuraSep™
- PEACH® DynaCaptor™
- PEACH® DynaSep™
- TruGard™
- And Many More Products & Options

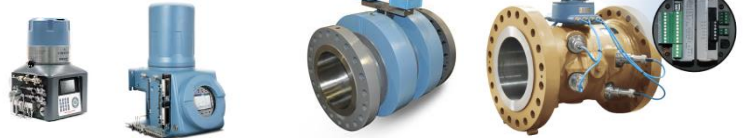

- Globe Control Valves
- Trunnion Ball Valves
- Butterfly Control Valves
- V-Notch Control Valves

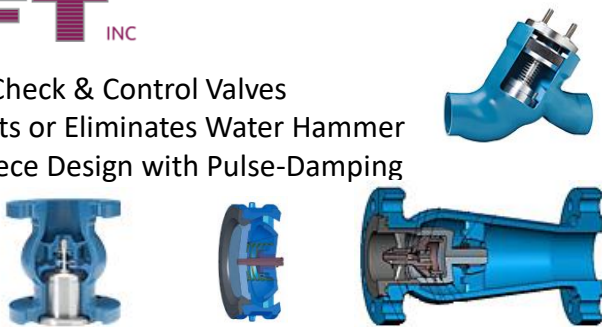

**EMERSON**  
Process Management

- Liquid Turbine Flow Meters
- Liquid & Gas Ultrasonic Flow Meters
- Gas Chromatographs

- Silent Check & Control Valves
- Prevents or Eliminates Water Hammer
- One Piece Design with Pulse-Damping

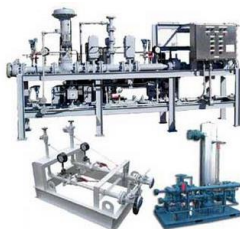

## VALVETECHNOLOGIES

- Specialty Valves for Your Critical Applications
- Power Generation, Oil & Gas, Chemical Industries
- Severe Service Valves, Multiple Materials
- Metal Seated Ball Valves

- Design and Manufacture of Modular Engineered Skid Packages
- Gas Fired Water Bath Line Heaters
- Ammonia, Natural Gas Metering and Regulating
- Fuel Gas Conditioning

- Differential Pressure Flow Products
- Orifice Plates and Fittings
- Liquid Turbine Meters
